

### Culinary activities

Daily, guests will enjoy different types of flavored martinis and margaritas as well as indulge in tequila tastings. Expert sommeliers will guide you through wine pairing with cheeses, and you will also be able to enjoy afternoon tea with desserts and petit fours.

Unforgettable evenings await you, such as a live piano dinner-concert, a barbecue with cuts of meat and seafood, a special menu with dishes from the state of Veracruz, as well as personalized pastas and lobster prepared with a variety of sauces to choose from. Don't miss the Cuban evening with delicious mojitos!

The guest chefs of the gourmet restaurants Frida, Lucca and Piaf (sister restaurants from the Grand Velas Riviera Nayarit hotel), will be present with their culinary creations to astonish all attendees.

### Botanical Garden

With more than 30 varieties of organic plants, this area is protected without the use of pesticides or chemical fertilizers. Its natural products are used to prepare beverages such as fresh citrus waters and dishes like marinated seafood. Besides being a picturesque place to go for a walk, it is the perfect setting for Spa treatments and rituals where the organic herbs and seeds are used in warm compresses.

### Handbag "Bar"

This is the solution for all the ladies who have forgotten to pack a handbag. The "bar" offers bags of different designer brands such as Carolina Herrera, Tory Burch, Michael Kors and Pineda Covalín, among others. They are available to be used everyday with prior reservation and there is no additional charge!

### Suites renovations

In order to continue providing an unparalleled service and optimize the comfort and relaxation experience, the furniture, décor and deluxe in-suite amenities were renewed with Nespresso coffee machines, L'Occitane bath products, and a pillow menu that fits the needs of each guest. In addition, the mini bar is daily replenished, free of extra charge, and 24 hour food and beverage service is available!

### Golf

Casa Velas is immersed in the Marina Vallarta golf club, designed by Joe Finger, located just minutes away from the Vista Vallarta courses designed by Jack Nicklaus and Tom Weiskopf. Guests will enjoy discounts and special promotions.

#### Marina Vallarta

A 6,701-yard golf course that offers long passages lined by palm trees, sheltered by water and beautiful green areas.

#### Vista Vallarta

With a high elevation, this Jack Nicklaus course pampers its players with the best views of the Banderas Bay with green hillsides, a dense palm tree forest and natural streams that create the perfect landscape. The 18-hole golf course designed by Tom Weiskopf challenges you with an extreme terrain, dense jungles, deep ravines and rapid streams.

### Private Ocean Club

Located just minutes from the hotel, this club nestles a casual and relaxed atmosphere overlooking the sea. It encompasses an ocean view pool, Jacuzzi and a meeting room. It offers a deli and sushi daytime menu, and an inspired state-of-the-art Asian cuisine in the evenings with a choice of delicious cocktails and a wide selection of wines. It features the perfect setting for romantic sunset dinners.
