

WELLNESS SUITE

Our one-of-a kind Wellness Suite is a private retreat designed for the only purpose of renewing your body and mind.

We know your concern for wellness and health care; therefore, this space has unique and innovative amenities that will take your relaxation experience to another level.

Kenko Pillow - Nikken

It allows the flow of nature's energy enabling a deep, restful sleep. It provides adequate neck and head support, offering a soothing massage effect.

Comforter - Nikken

It offers the perfect balance for all climates. It will help you get the deep, restful sleep you deserve.

LED Kenko lamp

It has a clock and timer. It is characterized by having an adjustment that gradually increases the illumination, simulating the light of dawn and dusk. This will help you sleep and wake up in a more natural way.

Recumbent Lifecycle® Exercise Bike

This Life Fitness machine will allow you to workout whenever you want to in complete privacy. It is completely adjustable and has a heart rate monitoring system, convenient design with no electrical cords, and an intuitive console with quick start or pre-programmed workouts; which indicates the progress and final summary of your routine.

Exercise kit (yoga mat, dumbbells, rubber bands, etc.)

Exercise and fitness lovers can continue their routines during their stay with the perfect kit to keep in shape.

Massage table

Enjoy our Signature Spa services in the comfort of your terrace!

Alchimia Aromatherapy Kit

Essential oils will sooth your environment allowing you to embrace total relaxation at nighttime. Select one of four available aromas: cedar, lavender, tangerine and myrrh.

Electric diffuser

Enjoy your favorite aroma, all day, in your suite. It features LED light and timer.

Vitamin C shower

It provides a warm vitamin C bath, which contains essential oils that provide antioxidant and regenerative properties for the skin. Besides reducing water consumption, it prevents the proliferation of acne. It also has the proper pressure to activate blood circulation.

"Manos que curan" (Healing Hands) amenities

Organic soaps made with natural plants and seeds by mexican artisans.

Additional values during your stay:

- A 50-minute massage per adult, per stay
- Access to hydrotherapy circuit for one adult per day

Note: Pillows and comforters in this suite include magnetic technology; people with pacemakers may not make use of them. In this case, we will provide special amenities to fit your needs.
